Submission points

Point 23.1

Section: SASM – Sites and Areas of Significance to Maori

Sentiment: Amend

Submission:

We believe that the area included in The SASM that extends beyond the stop bank and into our property has no significant value as this is a poplar plantation planted for firewood, as well grazing used for stock/horses. We believe this is simply a mapping error. Photos of area attached.

Relief sought

We would like the SASM boundary to be moved back to the stop bank and to follow the stop bank as per the rest of our property. Photo supplied.
