Resource Management Fees

Section 36 of the Resource Management Act 1991 enables Council to charge additional fees to recover actual and reasonable costs where the Lodgement Fee is inadequate.

When the total cost to process an application exceeds the Lodgement Fee in Table One, the additional fees are charged at the rates specified in Table Two of this fee schedule.

The Council also reserves its discretion to refund part of the fixed fee if the work required to process the application is less than usual.

The Lodgement Fee will be required to accompany the application. An invoice will be sent for any additional fees. The Lodgement Fee is a deposit only and may not be the complete charge. There may be additional fees or a part refund as explained above.

Discounts shall be paid on administrative charges for applications for resource consent and applications to change or cancel conditions that are not processed within the statutory timeframes. The discounts shall be in accordance with the Regulations to the Resource Management Act 1991.

Waste Minimisation

The small and large options are available upon application.

Extra Bins - It is likely that there will be situations where people will require extra bins (limits will apply - contact Council if required - up to two sets per property). For example, an extra recycle or rubbish bin for businesses, an extra compost bin for properties with a large garden. This option is available on application and will be invoiced pro-rata in the first year, after which costs will be charged on rates.
