

Application for registration under Food Act 2014

Before you start, let's check that you have everything you will need:

- If you are applying for a National Programme (NP) registration, you may choose your verifier. You will need a confirming letter from your verifier to attach to this application. A list of recognised verification agencies can be found on the New Zealand Food Safety (NZFS) website, under 'registers and lists'. The law requires that Council verify businesses registered under an NZFS template food control plan, unless the business chooses to operate the food control plan in more than one council district and/or predominantly wholesale their food.
- If any of the businesses covered in this application are a registered limited liability company, a copy of the company registration certificate. See www.companies.govt.nz
- You need to make sure you can confirm that the operator of the food businesses is resident in New Zealand within the meaning of section YD 1 or YD 2 (excluding section YD 2(2)) of the Income Tax Act 2007.
- Fees: Businesses registered under the Food Act 2014 are subject to registration fees and verification fees.

See <https://www.timaru.govt.nz/services/consents-licences-and-registrations/food/running-a-food-business> for registration and council verification fees or scan this QR code:
