To: Timaru District Council

Name of submitter:

Heske Raymond Rawlings

[State full name]

This is a submission on the following proposed plan or on a change proposed to the following plan or on the following proposed variation to a proposed plan or on the following proposed variation to a change to an existing plan) (the 'proposal'):

[State the name of proposed or existing plan and (where applicable) change or variation].

~~I could~~/could not\* gain an advantage in trade competition through this submission.

[\*Select one.]

\*I am/am not† directly affected by an effect of the subject matter of the submission that—

- (a) adversely affects the environment; and
- (b) ~~does not relate to trade competition or the effects of trade competition.~~

[\*Delete or strike through entire paragraph if you could not gain an advantage in trade competition through this submission.]

[†Select one.]

The specific provisions of the proposal that my submission relates to are: [Give details]

ability to build additional accommodation on small sites. IE 20 sqm accommodation for a dependant relative.

My submission is: [Include whether you support or oppose the specific provisions or wish to have them amended; and reasons for your views]

[If your submission relates to a proposed plan prepared or changed using the collaborative planning process, you must indicate the following:

- Where you consider that the proposed plan or change fails to give effect to a consensus position and therefore how it should be modified; or
- In the case that your submission addresses a point on which the collaborative group did not reach a consensus position, how that provision in the plan should be modified.]

a 80 sqm int house for a dependant relative on an existing 4 HA lifestyle block is ridiculous. It should be of relocateable construction as most depart relatives die soon after. They should not be build on less than 20 HA. Lack of transparency in the criteria for a dependant relative is lacking. Ref: the Rawlings Pitcher TDC court case 8 years ago. There are hundreds of existing small blocks been cluttered with sheds and houses ruining existing environment

allowing large sheds to be built close to existing houses is also a problem up Hadlow Glenite area. The need to be restrictions taking into account neighbouring houses.

**I seek the following decision from the local authority:** [Give precise details as this is the only part of your submission that will be summarised in the summary of decisions requested]

In your proposed alteration to the district plan there is a lot of discretionary activities. The cost of opposing requests is expensive & the court does not grant costs in most of these cases. The cost should be borne 50/50 by the applicant + opposer.

**I wish (or do not wish) † to be heard in support of my submission.**

[\*In the case of a submission made on a proposed planning instrument that is subject to a streamlined planning process, you need only indicate whether you wish to be heard if the direction specifies that a hearing will be held.]

[†Select one.]

**\*If others make a similar submission, I will consider presenting a joint case with them at a hearing.**

[\*Delete if you would not consider presenting a joint case.]
