I do not support the drawing of Wai Taoki hines
Kati Hairapa worked travelled throughout South Canterbury
So Also have 5 generations of my own family fishing
hunting and harvesting wild life. Granting Moari
the right to draw lines with the power to veto
over freehold titles on the whim of beliefs and values
is wrong. How do you define the boundaries of
beliefs & values, its an opinion and can't be defined
a legal nightmare. I can understand if it is
a Moari Burial Ground, moari pa these can be
defined and lodged. If these rules are followed
(11 pages) it will be very devisive for Moari
Pakeha Relations
relating to our own property the Wai Taoka hines

define Gullies that only flow with water when there is significant rain, no fish etc have every been harvested here

I seek the following decision from the local authority: [Give precise details as this is the only part of your submission that will be summarised in the summary of decisions requested]

I would like to amend S.A.S.M. wai Taaka Lines To Areas that can be clearly defined - Burial Grounds - Moari Pa etc these can be marked as such and stay away from the undefinable. Flood Plains have no place on these Maps, Waterways are for all New Zealanders.

I wish (or do not wish) † to be heard in support of my submission.

[*In the case of a submission made on a proposed planning instrument that is subject to a streamlined planning process, you need only indicate whether you wish to be heard if the direction specifies that a hearing will be held.]

[†Select one.]

*If others make a similar submission, I will consider presenting a joint case with them at a hearing.

[*Delete if you would not consider presenting a joint case.]
